PULSE turns repetition into rhythm. A white body wall tile collection in a kitkat format, made up of elongated tesserae that create a subtle three-dimensional effect through a delicate low relief.

Its monochrome surface, available in white, sand, clay, taupe and green, enhances the power of colour through the purity of a single shade. The glossy finish and the natural flow of the glaze create areas of deeper pigmentation, adding depth, light and a visual vibration that brings each composition to life.

PULSE transforma la repetición en ritmo. Una colección en pasta blanca de formato kitkat, formada por teselas alargadas que, a través de un delicado bajo relieve, generan una sutil sensación tridimensional sobre la pared.

Su superficie monocromática, disponible en white, sand, clay, taupe y green, potencia la fuerza del color desde la pureza de un único tono. El acabado brillo y el movimiento natural del esmalte crean zonas de mayor pigmentación, aportando profundidad, luz y una vibración visual que da vida a cada composición.
