Look

Precious small surfaces shape Look, a ceramic tile collection with an artisanal, contemporary character. Bianco, Lino, Verde, Oliva, Avio, Blu, Amaranto, Caramello, Corda and Giada form a rich, luminous palette in 6x24 and 10x10 sizes. Subtle tonal shades, glossy glazes and slight irregularities enliven the surfaces. The 3D Yubi and 3D Maki structures, the latter featuring a raised leaf motif, broaden the decorative possibilities for walls, floors and façades.

LOOK COLLECTION

Technical Characteristics

Frost proof

Resistance deep abrasion

Destinazioni d'uso

D

Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

E

Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

F

Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

G

Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

H

Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

Color variations

V0

Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

V1

Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

V2

Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

V3

Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

V4

Ubstantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
